EQUIPMENT NOTES

FOR THE HIRE OF EQUIPMENT FROM THE THAME EQUIPMENT BANK

Marquees

When collecting a marquee please ensure you take :

- 12 A poles
- 15 B poles
- 12 C poles (all C poles should already have feet on them)
- 1 bin full of joints (in the bin should also be a bunch of bungees and possibly some guy pins though these are not necessary and we don't promise any of them)
- 1 canopy canvas
- 2 end panels
- 10 side panels
- Leg weights – 4 or 6 per marquee unless you are expecting really strong winds
- A document showing the construction of the marquee

Canvasses must be returned clean and completely dry.
Each bin must contain the joints and bungees for 1 marquee

Extinguishers

We must be told if any of these are used.

Orange fencing

These must be returned dry and rolled up tight and tied.

Festoon lighting

These are hired out in boxes of 10 sets which string together. Please remember to take a power supply and ensure you use the breaker supplied.

Generators

Each generator has an earth spike and a plastic zipper bag. The plastic zipper should have a key in it specific to the generator.

Ensure you use the breakers supplied in the bags and do not plug your equipment straight into the generator.

Please do not plug the breaker directly into your household sockets.
